

KRISHI VIGYAN KENDRA, MAYURBHANJ-1

PROCEEDING OF THE STAFF MEETING HELD ON 31ST AUGUST, 2016

The meeting started at 3.30 PM in the chamber of Sr. Scientist & Head, KVK, Mayurbhanj-1. The staff present in the meeting are listed below. At the outset, The Senior Scientist & Head along with the staff present viewed the video CD developed by KVK on the topic "Backyard Poultry Farming" in Santali language and expressed their opinion on few scenes. Dr.Mohanty opined the first scene displayed on the screen is looking clumsy and few texts should be displayed on a separate scene. Ms.Suchismita Mohapatra opined as it is developed in Santali language, so the dialogues may be translated in English language for better understanding of all the viewers. Dr.Pattnaik agreed with the proposal and due to shortage of time and as the same will be released on the occasion of KVKs Zonal workshop, the translation will be made later on and she directed to separate the first scene text by adding a new scene before the act. Overall, all the staff presents in the meeting were expressed their satisfaction on its preparation. The following discussions were also made on the meeting.

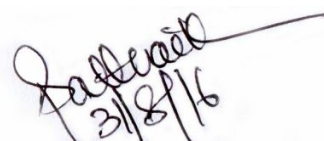

- 1) The Senior Scientist & Head asked the activities of KVK Scientists on execution of FLD, OFT & Training Programme.
Dr.D.Mohanty, Scientist (Agricultural Engineering) stated, he has conducted one FLD and one OFT. Smt.J.Bhuyan, Scientist (Home Science) stated she has conducted 2 nos. of FLD and 1 OFT. Ms.S.Mohapatra, Programme Assistant (Soil Science) stated she has conducted one FLD and one OFT.
- 2) The head reviewed about the execution of TSP programme. Ms.S.Mohapatra stated 832 nos.of Poultry have been distributed among 7 groups in Moroda, Kuliana and Betonati Block of Mayurbhanj district. Already 800 nos. of spawn bottles have been distributed with 8 groups as informed by the Home Science Scientist.
- 3) Dr.D.Mohanty proposed to fix up a date for joint visit of DLREI member and the Collector & District Magistrate may be invited to the Cluster Demonstration area where 30.00 ha. of groundnut have been demonstrated.
- 4) The Senior Scientist & Head asked about the programme on KVK module village. Ms. S.Mohapatra stated that she has taken a programme in village Ambadubi on Leaf Colour Chart for real time nutrient management. Dr.Pattnaik advised to take up more numbers of programme on the KVK module village.
- 5) The Farm Manager asked about the receipt of letter from the University for Fixation of puddling cost and field preparation cost of Rotavator and requested to follow up the issue. The Farm Manager was also asked to give a report on farm operation. He informed that the transplanting operation was completed and presently he is going for weeding through mechanized transplanting.
- 6) Dr.D.Mohanty, I/c Farm Superintendent suggested the Farm Manager to keep watch on timely irrigation of the KVK paddy field in the coming holidays.
- 7) A detailed discussion was also made about Pulse Seed Hub project.
- 8) Dr.S.Pattnaik, Head Scientist directed the Scientist (Home Science) to assist the training programme on value addition of Mahua flower organized by the Post Harvest Technology Deptt, CAET, OUAT on 8th September, 2016.
- 9) A thorough discussion was made on the condition of the farmer's hostel. As this hostel is used throughout the year during KVK on campus training, departmental training and NGO training programmes, it needs immediate renovation by establishing new PH lines, electric wiring and major civil works.

10) In the meeting, Dr. Pattnaik advised the Scientist (Home Science) to focus on the Kitchen Garden demonstration unit.

The meeting ends at 4.15 PM.
