**PROCEEDING OF 54th DISTRICT LEVEL RESEARCH EXTENSION INTERFACE MEETING
HELD ON DATED 18/10/2022 AT KVK, MAYURBHANJ-1, SHYAMAKHUNTA**

The 54th District Level Research Extension Interface meeting was held on 18th October 2022 at KVK Mayurbhanj-I campus under the Chairmanship of the Chief District Agriculture Officer, Mayurbhanj. The meeting was started in KVK conference hall at 11am. amidst representatives from line departments like Agriculture, Horticulture, Fishery, Animal husbandry, Soil conservation, Sericulture, LDM, RSETI, DIC, NGOs along with Agri-entrepreneurs. At the outset, the Senior Scientist & Head of KVK, Mayurbhanj-1, Dr. Sanghamitra Pattnaik welcomed the officials of the line departments. After the welcome address, the Senior Scientist & Head, KVK, Mayurbhanj-II informed the house about the action taken by DLREI members on the basis of recommendations of the last meeting.

Sl.No.	Recommendation of the 53 rd DLREI	Action Taken
1.	ADO, Jashipur suggested for cultivation of pumpkin, cowpea in fallow land to mitigate the adverse situation arises due to climate change during Kharif season	Scientists, Block level officials have been instructed to motivate farmers to cover fallow areas by cultivating Pumpkin & cowpea.
2.	ADR, RRTTS, Keonjhar emphasizes on categorization of fallow land to go for proper planning of crops according to Agro-climatic and Agro-ecological situations in fallow land	Discussed with CDAO&DDH, Mayurbhanj & we will have a proper planning very soon.
3.	ADO, Karanjia has given emphasis on need based training programme to be conducted on IPM practices of paddy as evidence of BPH has been seen due to fluctuation of temperature and humidity according to climate change	Scientists of KVK & Departmental officials jointly visited BPH affected areas & suggested BPH control measures in the district.
4.	Team Leader, OIIPCRA viewed his thought on emphasis of allied sectors on Apiary, Silkworm cultivation and Agro-forestry. He also suggested for mechanization in maize and millet cultivation and seeks help from both the KVKs.	Concerned departments have been consulted to take up Agri-allied sectors on entrepreneurial basis. Both the KVKs of Mayurbhanj will provide handhold support as & when required by OIIPCRA.
5.	DFO, Mayurbhanj suggested on the improvement of the training programme through demonstration of technology in small and cluster scale for higher adoption.	Discussed with all line department officials to conduct quality training programmes for large scale technology adoption.
6.	DFO, Mayurbhanj also stated on enterprise and entrepreneurship development of the district to create example/success stories and action taken on that particular enterprise and entrepreneur on next meeting. He has requested KVKs and line departments to propose one villages each from their jurisdiction where all departments and KVK to work on their activities for overall development of those villages.	Both the KVKs & all the Line Departments to propose one village each for convergence programme in future.
7.	DDM, NABARD emphasizes on work on farm pond and FPOs. Requested all line departments along with both the KVKs to expand their work on revival of some FPOs and involve themselves in capacity development programme of different FPOs in the district.	DDM, NABARD has been consulted to adopt each of two(2)nos of FPOs by both the KVKs as desired by OUAT authorities.
8.	ACF, Karanjia stressed upon awareness on plantation of Agro-forestry and requested all members to work on this aspect with the help of forestry departments.	Both the KVKs have taken initiative for awareness programmes on Agro-forestry plantation in the district.

Salient Recommendations

1. To ensure nutritional security, DDH, Mayurbhanj suggested to identify the malnourished family in the district by the DSWO for distribution of vegetable and fruit saplings. He also suggested to include DSWO & DPC, Missionsakti in the RE meeting.
2. To make farmers self-sufficient & not depending on neighbouring states, farmers to produce more potatoes suggested by DDH, Mayurbhanj & to preserve it in cold storages for longer period, Govt. is supporting farmers 70% subsidy on transportation & cold-storage charges.
3. CDVO, Mayurbhanj emphasized on promotion of Broiler farming through training programmes for the extension workers.
4. PD, Watershed urged technical support from all the Line departments for the success of the Green Agriculture Project in the district.
5. The Business Manager, ORMAS suggested for providing training regarding technical know-how on pesticides & fertilizers to their field functionaries.
6. The Manager, DIC, Mayurbhanj emphasized on the scope and importance of the food processing industry in the district and encouraged for the promotion of food processing and value addition of agro-commodities in entrepreneurship mode through MSME schemes.
7. LDM, Mayurbhanj suggested for providing more number of training programmes on Fishery and Bee keeping to the rural youth for sustainable livelihood.
8. Precautionary control measures for controlling of Wasp to be circulated among the Tasar growers as requested by the Scientist, BSMTC, Baripada
9. The house recommended the next RE-Linkage meeting will be conducted in a nearby village followed by joint visit by the members.

The meeting ended with vote of thanks by Dr. Jagannath Patra, Scientist(Ag. Extension) at 2.30 PM.
